This Financial Services Guide (FSG) is issued by **Investment & Retirement Services Pty Limited** ABN 51 654 295 342 AFSL 537 452, referred to as Investment & Retirement Services “we”, “us”, and “our”.

There are two parts to this FSG. Please make sure that you read both parts before making any decision based on our advice. WHAT IS A FINANCIAL SERVICES GUIDE (FSG)

The Financial Services Guide (FSG) is an important document that is designed to help you decide whether to use the financial services offered. The main purpose of the Financial Services Guide (FSG) is to give you an overview of the financial services that are being offered and it provides you with the following information:

- About us;
- What kinds of financial services we are authorised to provide to you;
- The process we follow to provide financial services;
- How we, our Authorised Representatives (and any other relevant persons) are remunerated;
- Are there any of our associations or relationships that might influence the financial services we offer?
- How we collect, use and disclose the information you provide to us
- Our complaints handling procedures and external dispute resolution procedures including how you can access them.

The terms Representative, Authorised Representative, Corporate Authorised Representative, and Advice Provider means that a person, or entity, is authorised to represent a business that holds an Australian Financial Services (AFS) license. **Investment & Retirement Services** is the holder of an AFS License and is therefore responsible for the financial services provided, including the distribution of this Financial Services Guide (FSG).

As there are many different titles in the marketplace describing such authorised representatives and advice providers throughout this document we are describing them as Adviser(s) or Your Adviser(s).

NOT INDEPENDENT

Investment & Retirement Solutions receives commission payment on Life Insurance Products. This allows us to advise and place your insurance without charging you, the client, directly but rather receiving remuneration from product issuers. By doing this we are not allowed to use the words Independent, Impartial or Unbiased when describing our business. For more information on this please ask your adviser.

THE PROCESS WE FOLLOW TO PROVIDE FINANCIAL SERVICES

Your adviser acts as our Authorised Representative when providing personal advice to you and therefore we are responsible for any advice given. Your adviser is under an obligation to act in your best interests in relation to any personal advice provided to you (known as the 'best interest duty').

Your adviser is authorised by us to give you personal advice, but in order for them to do so, you need to provide them with information about your needs, goals and objectives. If you choose not to provide your adviser with this information, any advice they provide may not be appropriate to your needs.

PROVIDING YOUR ADVISER WITH INSTRUCTIONS ON HOW TO BUY OR SELL FINANCIAL PRODUCTS.

You may specify how you would like to give your adviser instructions, for example, in writing, by telephone, fax or other means. However, in some instances your adviser will require your instructions to be in writing. For your own protection, you should not:

- sign any blank forms or documents
- appoint any financial adviser to act as your attorney or authorised signatory
- nominate any financial adviser to receive your statements without you also receiving a copy, or
- give your adviser unclear or misleading instructions or false information.

Other documents that you may receive in addition to the FSG and Adviser Profile, your financial adviser may provide you with the following documents:

- A Statement of Advice (SoA) or Record of Advice (RoA).
Before your adviser provides you with any personal financial product advice (personal advice), they will collect information about you, your objectives, financial situation and needs. The SoA will set out the advice and the basis upon which it is given. You may then decide whether or not to act on it. It will also set out information about our remuneration and your adviser's remuneration and disclose any associations or relationships which might reasonably be expected to influence them when providing the advice. Any subsequent personal advice that is provided to you may, if it is in relation that has already been provided to you, be documented in an ROA, provided there has not been a significant change in your personal circumstances or the basis upon which the initial advice was provided. Copies of all advice documents will be retained on your client file and you may request a copy by contacting your adviser.
- A Product Disclosure Statement (PDS).
If a particular financial product (other than securities) is recommended by your adviser you must also be provided with a PDS issued by the product issuer. The PDS contains information about the benefits, risks and other features of the product, which will enable you to make an informed decision about whether to purchase the product.

HOW WE, OUR ADVISERS (AND OTHER RELEVANT PERSONS) ARE REMUNERATED

Both we, and your adviser receive remuneration from:

- service and advice fees paid by you;
- Remuneration and other payments paid by product providers;
- other benefits.

- Fee for advice - your adviser may charge fees for the preparation and implementation of the advice. These fees will be based on your individual circumstances, the complexity of your situation and the time it takes to prepare personal financial advice for you.
- Ongoing advice fee - your adviser may charge a fee to provide ongoing portfolio reviews and/or for the provision of ongoing services. This fee will be either a set amount or based on the amount of funds under our advice, and/or the time involved in reviewing your portfolio, e.g. an hourly rate. Your adviser will discuss these fees with you prior to giving you the advice.
- **General Advice / Execution Only instructions**
Where "General Advice" or an "Execution Only" instruction is provided, you may request particulars of remuneration payable to us and to your adviser, directly from your adviser. Please refer to the Adviser Profile attached for information about any portion of these fees that we may retain and please ask your adviser, or us, if you require further information about any of the fees and charges that you pay.

Payment methods

Our fees are either invoiced to you directly, or deducted from your investments, or a combination of these methods. Where it is debited from your investments, it is normally referred to as the Adviser Service Fee. In most instances, you will be able to select the method of payment that suits you best. Your Adviser will discuss and agree the method of payment with you before providing you with services. The specific fees and services that you will pay for will be set out in your SoA or other advice documents, your annual fee disclosure statement or client service agreement.

Your current options:

- You may choose to be charged a financial planning advice fee that is based on the time spent preparing your SoA (or other advice document) and is dependent on the complexity of the advice; or
- You may enter into a service agreement with your adviser that covers items such as ongoing advice, newsletters, annual reviews and portfolio valuation reports. You and your adviser should discuss the services to be included and the fee that you will pay. Alternatively, it will be set out in the service agreement provided by your adviser either before, or at the time, you are presented with your SoA.

Remunerations and other payments paid by product providers

If you implement a financial product through us, we may receive payments in the form of initial remuneration and/or ongoing remuneration from the financial product providers. These remunerations are included in the fees and premiums you pay for the product. This is not an additional cost to you.

Investment products held pre 1 July 2013

We may receive initial (upfront) remuneration from the product provider for additional amounts invested in products you held prior to 1 July 2013. Generally, the remuneration will be a percentage of the amount you invest (may be up to 5.5 per cent including GST) and may vary from product to product.

We may also receive ongoing (trail) remuneration from the product provider on a periodic basis for the duration of your investment. Details of such remuneration (which may be up to 1.1 per cent including GST) will be set out in your SoA.

Your adviser will retain the following personal information on your client file:

You will be advised of any such transfer prior to it taking place and you will be given the opportunity to remain with one of our **Investment & Retirement Services** advisers if you prefer to do so.
